

Youth Platform

Starting from July 2022, the Peace Makers Youth Platform has conducted online and offline campaigns to provide Libya's youth, across the country, with a **safe platform for collective discussion** and **raise awareness** on general political and policy issues

15+

Dialogue Sessions

The events addressed a broad range of topics, bringing together **youth leaders** and high-profile **academics, practitioners,** and influential **public figures.**

60+

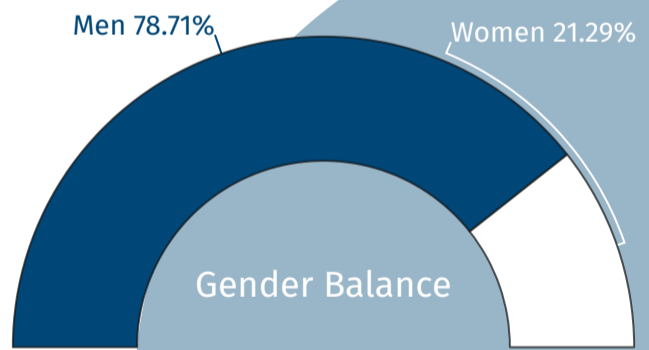

Locations

Through a mix of online and offline campaigning the initiative involved activists from **all regions**, while preserving the **confidentiality** and **security** of each participant.

400+

Participants

The initiative aims to include the highest possible number of young activists with an inclusive, participatory and bottom-up approach.

" The future of the country belongs to its youth, and through the Youth Platform, we want to make sure our voice is heard! "
